## INVESTOR SERVICE GUIDE:

⇒ **KNOW YOUR CUSTOMER (KYC):** Investors may submit the following documents/ follow the procedure as stated below to comply with KYC requirements:

- (a) KYC Form duly filled in
- (b) Self attested copy of PAN card and self attested copy of proof of address
- (c) In person verification is to be done by your distributor or any authorized person.

Original documents need to be shown for verification which will be duly returned after checking the relevant information.

⇒ **REGISTRATION OF NOMINATION:** Registration of nomination will facilitate easy transmission of units to the nominee(s), especially if the unit holding is single. Investors with single holding with no nomination are requested to obtain nomination form for registration of nomination.

⇒ **MAILING OF ANNUAL REPORT OR ABRIDGED SUMMARY:** In order to bring cost effectiveness in printing and dispatching the annual reports or abridged summary and as a green initiative measure, unit holders are requested to provide their email addresses to enable the Abridged Annual Report and related documents to be forwarded by email. For those email addresses which are already registered with us, the scheme annual accounts or abridged summary would be sent to these email addresses and not as physical copies. The investors who wish to obtain the Scheme Annual Accounts or Abridged summary etc. in physical form, may specifically communicate in writing for the same.

⇒ **REGISTRATION OF MULTIPLE BANK ACCOUNTS FOR PAY-IN AND PAY-OUT:** Registration of up to five bank accounts in case of individuals and HUF and upto ten bank accounts in case of non-individuals is now allowed after which investors can use any of the registered bank accounts to receive redemption / dividend proceeds. These accounts will also be used for verification of pay-ins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription. Investors are requested to obtain relevant form for this purpose.

⇒ **Product Labeling in Mutual Funds has been introduced by Mutual Funds.** A system of Product Labeling that would provide investors an easy understanding of the kind of product/scheme they are investing in and its suitability to them has been introduced. **THIS WILL FURTHER HELP THE INVESTOR FOR ALL THEIR FUTURE INVESTMENTS.** The product label will be placed in proximity to the caption of the scheme and will be prominently visible. The colour codes shall also be described in text beside the colour code box.

**Note:** Risk may be represented as:

<b>(BLUE)</b>	<b>(BLUE)</b> investors understand that their principal will be at low risk	<b>(YELLOW)</b>	<b>(YELLOW)</b> investors understand that their principal will be at medium risk	<b>(BROWN)</b>	<b>(BROWN)</b> investors understand that their principal will be at high risk

## REPORT OF THE TRUSTEES

We are pleased to present before you the **ANNUAL REPORT** of **SAHARA MUTUAL FUND** for the year ended March 31, 2013.

### Overview of Debt Markets in 2012-13

The financial year 2012-13 remained a challenging year for Indian economy. The WPI inflation trended as per the expectation of RBI but the CPI moved higher defying the assumption by Central Bank. The new challenge emerged in terms of deteriorating Current account Deficit which touched 6.7% in Q3. The depletion of forex reserve, coupled with unchecked imports of gold and oil, kept the deficit soaring. The issue of political uncertainty also emerged. Rating agencies have threatened downgrade on lower growth prospect, higher twin deficits, falling savings and investment ratios.

In this backdrop, tough but necessary steps for fiscal consolidation were taken to tackle fiscal deficit with the announcements for cap on subsidized cooking gas, freeing oil marketing companies to hike diesel prices, duties on gold imports etc. Government expenditure was restricted so that the fiscal situation remained under revised estimates. The Central bank moved in tandem to support growth measures by reducing policy rates and CRR.

Budget 2013-14 also was rational to the extent that it was non-populous and stressed on efficient allocation of resources, augmentation and efficient collection of revenues without curtailing necessary expenditure. Major steps were also announced to attract foreign capital especially through debt market segment.

### Overview of Equity Markets in 2012-13

Equity markets in India remained volatile during the FY 2012-13 with Sensex and Nifty moving up by 8.23% & 7.31% respectively, whereas CNX Midcap gave negative return of 4.02%. The markets had decent rally after P Chidambaram was made the finance minister and government announcing series of reforms since August 2012. FII remained net buyers of over ₹ 1.4 lakh Crores while DII were net sellers of ₹ 0.20 lakh crores.

During 2012-13, the Indian economy continued to witness slowdown with GDP growth of around 5 percent as against 6.2 percent in 2011-12. The decline in the growth rate was seen in the agriculture and services sectors, while industrial growth remained listless. While the moderation of growth in agriculture was largely on account of the rainfall deficiency, the slowdown in industry and services reflected several factors including domestic policy uncertainties, lagged impact of earlier monetary tightening and slackening of external demand.

Average headline inflation declined to 7.3 per cent in 2012-13 from 8.9 per cent in 2011-12, with a low of 6.0 per cent in March, 2013. As a baseline case, it is expected to see further moderation in first half of 2013-14 on the back of subdued pricing power of domestic producers.

The Reserve Bank eased monetary policy to revive investment and growth. It used the limited monetary space while balancing the concerns of persisting inflation and historically high Current Account Deficit (CAD). In this vein, the Reserve Bank cumulatively reduced the repo rate by 100 bps in 2012-13. Furthermore it injected ₹ 1.5 trillion of primary liquidity through outright open market operations (OMOs). The impact of monetary policy in boosting GDP growth is contingent upon resolution of supply bottlenecks, governance issues impeding investments and the government's efforts towards fiscal consolidation.

The financial year 2012-13, was highlighted with controversial CAG report on allocation of coal blocks tabled in the parliament and introduction of General Anti Avoidance Rules (GAAR) creating panic in the markets. Political instability ruled in the last 3 months of the FY 2013. As a result the budget which was expected to be progressive was without any major announcements boosting the economy. The year was also marked by major fall in Public sector unit (PSU) stocks. BSE PSU index was down by 11.4% for the year as against Sensex moving up by 8.23%.

PSU stocks remained under pressure during the year due to lack of visibility on the policy front in various sectors. Spree of disinvestment was also a major dampener for the PSU stocks as more supply of paper kept prices in check.

On the International front, the fiscal cliff kicked off in US with moderate intensity. It is expected to lead to a large predicted reduction in the budget deficit. The US economy is stabilizing and increasingly attracting investor attention. Stress still remains in the Euro area in some form, as was evident from the case of Cyprus, which became the fourth euro area member to receive a bailout after Greece, Ireland and Portugal. Financial markets are now pricing in the impact of large fiscal and monetary stimuli provided by the new Japanese government. This includes a stimulus package of 10 trillion yen to boost growth and overcome deflation.

## 1. Scheme Performance, Future Outlook and Operations of Sahara Banking and Financial Services Fund:

Performance as of March 31, 2013	1 year	Since inception	Inception date
Sahara Banking and Financial Services Fund (%)	7.32	27.31	16 <sup>th</sup> Sept., 2008
CNX Bank Nifty Index (%)	11.25	14.58	

"The price and redemption value of the units, and income from them, can go up as well as down with the fluctuations in the market value of its underlying investments;"

As on March 31, 2013, the scheme had invested 90% of its net assets invested in equities and the balance 10% in other current assets. The scheme has declared a dividend of ₹ 2.50 per unit (on face value of ₹ 10/- per unit) during the year 2012-13 under the scheme.

## DEBT MARKETS

The yester year has vindicated the issues encircling Indian economy. Going forward the year ahead is expected to engage primarily in following fronts- (a) Accelerating growth momentum by encouraging savings and investments (b) Containing twin deficit – both CAD and Fiscal deficit (c) Attracting foreign flows and (d) containing inflation and inflation expectation.

In context of focus, debt market may see policy action biased toward softer rate regime. With fiscal consolidation announced during last financial year and which is expected to be adhered to, any negative news flowing from ad-hoc fiscal slippage may not be seen this year. Liquidity and inflation are the main concerns which would keep the debt market guessing and which has the potential to bring volatility. Also concerns from western countries and rating agencies downgrading India may add volatility.

## EQUITY MARKETS

The future course of the markets will depend on how the economy performs in FY 13-14. Several measures proposed by the government could not be passed in the winter session of parliament due of political ruckus. The government is working towards resolving the bottlenecks in the economy. Though there is a wide – spread expectation that the worst of the current and fiscal deficits are behind us, the next general election would be crucial event for the Indian markets. Till then the corporate & economy trends and the monsoon would be keenly watched by the markets participants.

## 2. Brief Background of Sponsor, Trust, and AMC Company

## 7. Role of Mutual Funds in Corporate Governance of Public Listed Companies Policy on Attending AGM/EOGM of Investee Companies

### Introduction

Sahara Asset Management Company Private Limited, acts as an Investment Manager ("The AMC") to the schemes of Sahara Mutual Fund ("Fund"). The general voting policy and procedures being followed by the AMC in exercising the voting rights ("Voting Policy") is given hereunder.

Philosophy and Guidelines of Voting Policy The AMC has a dual responsibility of a prudent fund manager investing investor money as well as of an entity performing the responsibility of protecting the investor interest. As part of the management of funds, irrespective of the scheme, the AMC ensures that investments are made in companies that meet investment norms. It is expected that the investee company adheres to proper corporate governance standards. The voting policy for the investee companies by the AMC is as under:

The AMC shall deal with voting on case to case basis. For this purpose, the AMC shall review various notices of AGM/EOGM received from the investee companies from time to time and decide whether there are some issues on which the voting decision (favourable / unfavourable) is to be taken. The AMC would generally agree with the management of the Investee Company on routine matters, but may object by voting against if it believes that the interest of the shareholders are prejudiced in any manner.

As regards non-routine items the Fund Manager-Equity with assistance of the Equity Research Department and in consultation with the Chief Investment Officer shall review each of such cases and make specific recommendations to the Chief Executive Officer. In case the AMC is against any non routine item, it may decide to attend the meeting and vote against. In some other such cases, it may decide to abstain based on one or more of the factors like our small holding in the company, location of the meeting place, time/cost involved etc. For these instances, the reasons for non attendance will be recorded.

As per the decision taken by the AMC, it may depute an authorized person to vote in AGM/EOGM appropriately keeping in mind the interest of unit holders. AMC would maintain a record on the AGM/EOGM voting related matters.

Disclosure of Voting policy and Maintenance of Records This Policy on attending AGM/EOGM and suitable disclosure thereof will be made available on the website www.saharamutual.com.

The details of voting in the AGMs of the investee companies for the financial year 2012-13 are as follows:

# INDEPENDENT AUDITOR'S REPORT

To the Trustees of Sahara Mutual Fund

## Report on the Financial Statements

We have audited the accompanying financial statements of Sahara Mutual Fund – Sahara Banking and Financial Services Fund (“the Scheme”), which comprise the Balance Sheet as at March 31, 2013, and the Revenue Account for the year then ended, and a summary of significant accounting policies and other explanatory information.

## Management's Responsibility for the Financial Statements

The Trustees of Sahara Mutual Fund and the Management of Sahara Asset Management Company Private Limited (the “Management”) are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Scheme in accordance with the accounting policies and standards specified in the Ninth Schedule of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 and amendments thereto, as applicable. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 and amendments thereto, as applicable, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Scheme as at March 31, 2013;
- (b) in the case of the Revenue Account, of the surplus for the year ended on that date.

## Report on Other Legal and Regulatory Requirements

As required by the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 and amendments thereto, as applicable, we report that:

- a) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.

- b) The statement of account has been prepared in accordance with the accounting policies and standards specified in the Ninth Schedule of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 and amendments thereto, as applicable.
- c) We have reviewed the Valuation Policy being followed for the schemes of Sahara Mutual Fund. The Valuation Policy implemented for the schemes is consistent and is in line with the SEBI guidelines issued in this regard.
